**Dear Sir or Madam:**

**This concerns a letter I received dated April 1, 2005, Docket No. 2005-0004. The letter stated that the Nextel WIP Lease Corp., and Hemphill Corp., had applied to the Kentucky Public Service Commission for a Certificate to construct and operate a telecommunication tower on my property. I have just noticed a tower has been started and is completed as of this date. I am very disappointed as I had been counting on having a little income from this.**

**So basically, I just wanted this opportunity to convey this to you.**

**Respectfully,**

*Franklin Sallee*

**Dear Sir or Madam:**

**This concerns a letter I received dated April 1, 2005, Docket No. 2005-0004. Thi letter states that Nextel WIP Lease Corp. and Hemphill Corporation have applied to the Kentucky Public Service Commission for a Certificate of Public convenience and necessity to construct and operate communication telecommunications service tower, on my property. I was unable to reach Mr. Hughes by phone today and I have a few questions. They are listed below.**

- 1. How wide (or exactly how much space) would be involved?**
- 2. When will the work for the tower be started?**
- 3. Do you pay for the right, and if so approximately how much?**
- 4. How long would this tower be there?**
- 5. Would I have the right to prevent this if for some reason I should be in opposition.**

**Respectfully,**

**Franklin Sallee.**
